### Job Announcement

#### **BI-LINGUAL (SPANISH) CHILD AND FAMILY THERAPIST**

Early Childhood Mental Health Program is a highly respected non-profit agency that provides mental health services to young children and their families in West Contra Costa County. We are seeking an experienced Child Therapist to join our bi-lingual/bi-cultural staff serving the immigrant, mono-lingual community.

We are looking for someone to provide culturally sensitive services to children under 7, including dyadic therapy, collateral work with parents, home-based child-parent therapy, and some case management. Our families face issues of trauma, domestic and community violence, economic hardship, substance abuse, and maternal depression.

Early Childhood Mental Health Program is effectively governed by a strong, community-oriented Board of Directors. At Early Childhood Mental Health Program, we believe that diverse and inclusive organizations make for more innovative, engaged, and happy teams. Women, minorities, and individuals with disabilities are encouraged to apply.

#### **REQUIREMENTS:**

A Master's degree or Doctorate in Psychology, Social Work, or Counseling.

MFT, MFTI, LCSW, ASW, etc.

#### **PREFERRED SKILLS:**

- Minimum of one year of clinical experience with young children and families.
- Experience home visiting Working knowledge of child development, trauma, attachment theory, psychodynamic theory.
- Ability to work under pressure and meet all Medi-Cal documentation and agency productivity requirements.
- A California driver's license, a working vehicle, and insurance for home visiting.

The agency offers a competitive salary with an annual language stipend for fluent Spanish speakers. We also offer a comprehensive benefits package, including medical, dental, vision insurance, and generous paid vacation. We also offer a generous productivity bonus.

We provide excellent supervision, training, support for professional development, and reasonable productivity expectations.
